Here I am, working late again. I should be at the gym but I need to hire a new production manager and we're in desperate need of short-term production labor. I need to schedule safety training and an OSHA compliance inspection. My administrative assistant used to take care of this but he resigned today.

What am I going to do?

Human Resource Solutions

Diversified Sourcing Solutions offers a wide range of human resource products to fit your needs. From Direct Hire plans and PEO solutions to safety training and OSHA compliance inspections, we have the solution to your human resource needs.

DSS Direct

DSS Direct, our direct hire product, will reduce your hiring expenses and the time required to place the right candidate, providing you more time to focus on your core business. DSS will identify, test, evaluate and verify the candidate's experience before you conduct your interview.

VOP Services

Vendor on Premise (VOP) plans offer on-site coordination to handle all of your temporary staffing needs with the convenience of a single point of contact.

Risk Management Services

We offer OSHA forklift certification, safety training, authorized OSHA training for 10-hour and 30-hour general industry courses, and OSHA compliance inspections. DSS offers employee handbook creation and reviews and will customize a risk management assessment program that fits your company's demands.

PEO Services

A Professional Employer Organization (PEO) allows the employer to reduce its human resource responsibilities while improving employment law compliance.

DSS offers these additional services through partner companies:

Hearing testing and training, spirometry testing, respirator fit testing and training, speech pathology and accent reduction.

Diversified Sourcing Solutions

Staffing Solutions

Diversified Sourcing Solutions offers flexible staffing to meet every need, from short-term immediate response to long-term permanent strategies.

Short-Term or Long-Term Placement

Whether your need is project driven, seasonal, or vacation relief, DSS is the solution. DSS has evolved into a full-service human resources partner for your business while leading the industry in providing high quality, temporary employees. DSS has set the standard for temporary employment with our rigorous screening process since 1990.

Placement to Permanent

Placement to Permanent offers you the opportunity to hire, experience, and evaluate a potential candidate's performance before offering a permanent position within your organization.

Prior to employment with DSS, all applicants must agree to submit to our rigorous screening process, including:

- Skills Assessment Testing
- Pre-employment Drug Testing
- Random Monthly Drug Screening
- Employment Eligibility Verification with the Department of Homeland Security
- Criminal Background Check
- Previous Employment Verification

We can fill nearly any position any time and our risk-free Quality Assurance Guarantee applies to every placement.

DSS offers affordable medical, dental, and life insurance benefits for all of its temporary employees.

Aaron made a great decision
in calling DSS. I should consider
him for the V.P. position.
