Diversified Sourcing Solutions hires Chris Milligan as Business Development Manager

Diversified Sourcing Solutions welcomes Chris Milligan as Business Development Manager for all markets east of Texas. She is based in the Tampa, FL area.

Chris comes to Diversified Sourcing Solutions with over 15 years of HR and staffing industry experience and brings with her a wealth of management and coaching expertise and unparalleled relationship and business development skills.

Major highlights of Chris' achievements include: operating a top 10 branch in the country for Weststaff consistently from 1996-2008, Branch Manager of the Year, and Southeast Region Branch of the Year. During some of that time, she was an Area Manager for Polk, Pinellas, and Pasco counties.

When asked what Chris enjoys most about being a leader in the human resources and staffing industry, she responded, "Everything. I love every aspect of this business: sales, staffing, recruiting, and training. All aspects work together and I enjoy having fun with it!"
