Diversified Sourcing Solutions Hires Matt Brooks as Regional Vice President

Diversified Sourcing Solutions welcomes Matt Brooks as Regional Vice President of the Texas Market.

Matt comes to Diversified Sourcing Solutions with over 20 years of business experience, exclusively in sales and operations management. He brings a proven background of success: building strong sales cultures, developing cohesive teams operationally, and driving markets to profitability.

Highlights of his career include various management roles with companies such as Robert Half International, Volt Services, Adecco, and CIBER.

Matt is a Certified Project Management Professional from PMI, and holds a Professional in Human Resources (PHR) Certification. He is also on the Market Advisory Council for Texas State University and a member of the University of Houston Human Resource Management Association. Matt is actively involved in the Houston and regional community and is engaged in various business leader forums.

As an ex-professional baseball player with a competitive, energetic drive, Matt has inspired and transformed organizations and sales teams into highly profitable and productive successes.

Matt Brooks can be reached at 713-934-9999 or mbrooks@emaildss.com.
